TUITION – Automatic debit payments or pay in full discounts are the options for paying tuition. Tuition is based on a monthly payment, (some months have less days and some months have more days- in the long run of the year it evens out.)

Tuition cannot be pro-rated. However, all students have the option to make up missed classes by coming and taking other drop-in classes on the schedule.

You will continue to be charged monthly tuition until a two-week written notice withdrawal form has been signed and turned into the office. Credit for tuition will only be held until the end of the session which is September thru the end of June, or July through the end of August. In case of withdrawals, there are no refunds and class credit for tuition can only be used within the same family and the current session. For example, September 2022 through the end of June 2023.

Tuition is due by the first of each month and any payments after the seventh will automatically include a \$25.00 late fee.

Any NSF checks will be charged \$25.00 fee.

You will continue to be charged monthly tuition until a two week notice withdrawal form has been signed and turned into the office.
